This calendar of religious, national, and local holidays was prepared by the Jewish Community Relations Council of Greater Washington (JCRC) as a planning tool for community institutions. The JCRC appreciates our local school districts' continued commitment to respecting and reasonably accommodating the religious observances of students, teachers, and staff, and especially in providing excused absence for individuals who must miss school or work in order to fulfill religious obligations. Please consult your school district's particular policies for further guidance, and feel free to contact the JCRC with any questions. Electronic copies of this calendar can be found at [www.jcouncil.org/HolidayCal](http://www.jcouncil.org/HolidayCal).
